ESLLAB 71 Support Lab 0.5 units

NOTES:

An Intermediate Certificate is awarded by the ESL Department upon successful completion of ESL 55, ESLG 51, and ESLL 51. An Advanced Certificate can be added to student transcripts upon successful completion of ESL 325, ESLG 320, and ESL 114. Contact the ESL Dept. Chair for information on Certificates.

- ESLW 340 and ENGWR 300 are equivalent as both satisfy AA English Writing requirements as well as CSU (A2) and IGETC (A1) English writing transfer requirement.
- ESL 325 serves as a prerequisite for both ESLW 340 and ENGWR 300.
- ESL 37, 47, 55, 315, & 325 are combined reading-writing courses. There are no longer separate R or W courses in Los Rios except at the Advanced level. Contact the ESL Dept. Chair for course numbers and unit values prior to Fall 2020.
- Skills Labs (30-40-50-60-70-80) are strongly advised for the level, and to support students in the combined courses. Support Labs (31-41-51-61-71) offer support in all other skill areas with personalized study plans. Labs are advisories, but are highly recommended.
