

High School Course Articulation Renewal

Once approved by the SCC Curriculum Faculty Chair, and unless the course of study or course of record changes, this articulation agreement is valid for two academic years from the date on which it was approved. After two years, a Course Articulation Renewal (no changes to course of study or course of record) or a new Course Articulation Agreement (course of study or course of record has changed) will need to be initiated and approved. The college or high school can request a course review at any time.

Additional Articulation Requirements

College credit will be granted only if the student:

1. completes the course with a grade and final assessment(s) of "A" or "B."
2. applies for enrollment to SCC by completing the Los Rios Community College District Enrollment Application at www.scc.losrios.edu (Apply at SCC) and obtains a Los Rios Student Identification Number.
3. returns signed Parent/Guardian Permission Form to the high school faculty member by the given deadline.

At the end of the semester, for each student who earned the required "A" or "B" grades, the HS Faculty Member will submit a signed grade roster with matching Los Rios Student Identification Number and Parent/Guardian Permission Forms.
