

PLACEMENT RE-EVALUATION PETITION FOR: ENGLISH MATH

Complete separate forms for English and Math

This form allows students who enrolled at Sacramento City College prior to the Fall 2018 semester to have their initial English or mathematics placements reevaluated using their high school GPA and course information. Students currently in progress within the Los Rios Community College District and who graduated high school within the last seven (7) years are eligible for this consideration. An official or unofficial copy of your high school transcript is required. Foreign transcripts are not eligible for this process. Forms should be submitted to Admissions & Records in the Student Services Building. Students can view their new placement(s) in eServices on the Steps to Success panel within 48 hours.
