Is this experience right for me?

Study abroad in a foreign country can be a challenge & create stress. So we can better serve you, we ask that you speak openly and honestly prior to applying with your Study Abroad Director to:

- **Discuss all DSPS accommodations you may have**
- **We ask that you consider disclosing any physical & mental health issues, physical limitations, dietary requirements, medications, etc. you may have**

Example of why we need this information: if you have mobility issues, AIFS would need to be aware of host family housing (stairs, etc.) Help us accommodate you.

- **Also discuss expectations & challenges posed by the study abroad location & culture**
